TWAD (P&D) WING

B.P.Ms.No.124

Dated: 7.6.2000
Read:

Board Resolution No. 2. 7 dated:1.6.2000

ORDER:

The Chief Engineer, TWAD Board, Eastern Region, Thanjavur has prepared a detailed estimate for providing Water Supply Improvement Scheme to Aravakurichi RTP in Karur District. Quantity provision for this RTP has already been made under CWSS to 564 Rural habitations Pallapatty UTP and Aravakurichi RTP in Karur District. The proposal has been cleared by the RTC in its meeting held on 30.3.2000.

The detailed estimate prepared by the Chief Engineer, Eastern Region, Thanjavur was placed before the Board in its meeting held on 1.6.2000.

The Board in its resolution No.2.7 dated 1.6.2000 has resolved to accord administrative approval for providing water supply improvements scheme to Aravakurichi Rural Town Panchayat in Karur District at an estimated cost of Rs. 194.00 lakhs to install after deleting the provision for price escalation and Rs. 11.37 lakhs to maintain annually with per capita cost based on present population at Rs. 1908/- and cost per 1000 litres at Rs. 9.51 for intermediate stage and also to adopt a tariff for domestic and commercial connection at Rs.30 and Rs.60 per month respectively with one time deposit of Rs.1500 per domestic connection and Rs. 3000 per commercial connection to be collected up-front and to obtain the resolution from the local body accordingly.

Based on this, the Board accords administrative approval for the detailed estimate for providing water supply improvements to Aravakurichi RTP in Karur District at an estimated cost of Rs. 194.00 lakhs to install and Rs. 11.37 lakhs to maintain annually with per capita cost based on present population at Rs. 1908/- and cost per 1000 litres at Rs. 9.51 for intermediate stage.

Proportionate cost of installation and maintenance for the main CWSS to the tune of Rs.150.29 lakhs and Rs.5.77 lakhs respectively have been included in the above cost.

The Chief Engineer, Eastern Region, Thanjavur is requested to obtain the resolution from the local body agreeing to collect a monthly tariff of Rs.30 and Rs.60 for domestic and commercial connection respectively with one time deposit of Rs.1500 per domestic connection and Rs.3000 per commercial connection to be collected up-front.

The cost of installation of this water supply improvements scheme should be met under 100% Govt. grant and the expenditure should be debited to the respective head of account. The scheme on completion will be handed over to the local body for further maintenance.
