ORDER:

The Superintending Engineer, TWAD Board, New Veeranam Project, Tindivanam has submitted a proposal for enhancement of rent collected for two A.C.Suits and one non A.C. suite available in Inspection Bungalow at Tindivanam. On perusal of the proposal, it was felt that the Board has to take a general decision on collection of rent for various Guest Houses located in different places under the control of TWAD Board. On scrutiny of the details it was felt that there seems to be some scope and necessity for increasing the rent in respect of A.C. suites and also some uniformity in the rates charged for similar suite.

2. Accordingly necessary details were obtained from the Chief Engineers and a proposal was placed before Board on 20.6.96 to enhance the rent for the Guest Houses by adopting two different rates, one for TWAD Official and the other for Government officials which is also in practice at present in TWAD Board.

3. The Board in its resolution second and third read above has resolved as follows:-

" After careful consideration resolved to adopt Uniform Rates in respect of Inspection Bungalows for all the staff irrespective of Board or Government Departments and to issue necessary instructions to all the Guest Houses to adopt same rent for Board officials as well as other Government Servants ".

: 2 :

The Board accordingly directs that the rent for the Guest Houses under the control of TWAD Board may be adopted Uniformly for both TWAD Officials and for Government Officials as per the existing rates.
