TWAD (P&D) WING

B.P.Ms.No.27

Dated: 5.4.99

Read:

Board Resolution No.2.2 dated: 24.3.99

**ORDER:**

The Chief Engineer, TWAD Board, Northern Region, Vellore has formulated an outline proposal for providing Water Supply Improvement Scheme to Uthangarai Urban Town Panchayat in Dharmapuri District at an estimated cost of Rs.248.00 lakhs to install and Rs.7.90 lakhs to maintain annually with per capita cost for the present population at Rs.1746/- and cost per 1000 litres at Rs.11.64.

The Chief Engineer, TWAD Board, Northern Region, Vellore has placed the outline proposal in the Technical Committee meeting held on 25.9.98 and the Technical Committee after detailed discussion has resolved to recommend the proposal to Board for providing Water Supply Improvement Scheme to Uthangarai Urban Town Panchayat in Dharmapuri District at an estimated cost of Rs.248.00 lakhs to install and Rs.7.90 lakhs to maintain annually with per capita cost for the present population at Rs.1746/- and cost per 1000 litres at Rs.11.64.

The Financial Viability Certificate has been received from the Director of Town Panchayat, Kuralagam on 18.1.99. As per the present policy adopted, the Chief Engineer, Northern Region, Vellore was asked to prepare detailed estimate and inform the same to this office.

Board

The Chief Engineer, Northern Region, Vellore in his letter dated 1.3.99 has stated that the detailed estimate is ready for sanction and requested administrative approval. The matter was placed before the Board at its meeting held on 24.3.99 and the Board in its resolution No.2.2 dt.24.3.99 resolved to accept the recommendation of the Technical Committee and to accord administrative approval for the outline proposal for providing Water Supply Improvement Scheme to Uthangarai Urban Town Panchayat in Dharmapuri District at an estimated cost of Rs.248.00 lakhs to install and Rs.7.90 lakhs to maintain annually.

Accordingly, the Board accords administrative approval for the outline proposal for providing Water Supply Improvement Scheme to Uthangarai Urban Town Panchayat in Dharmapuri District at an estimated cost of Rs.248.00 lakhs to install and Rs.7.90 lakhs to maintain annually with per capita cost for the present population at Rs.1746/- and cost per 1000 litres at Rs.11.64.

The cost of installation of this water supply scheme should be met from 1/3 grant from Government and 2/3 loan from other financial institutions and the expenditure should be debited to the respective head of account.

The scheme on completion should be handed over the respective local body for maintenance.

(BY ORDER OF THE BOARD)
