ABSTRACT

TWAD BOARD-PROVIDING WATER SUPPLY CONNECTION TO SUPPLY 40,000 LITRES OF WATER PER DAY TO ARMED RESERVED QUARTERS AT 46 PUDUR PANCHAYAT OF MODAKURICHI UNION IN ERODE DISTRICT FROM CLEAR WATER RESERVOIR IN HEAD WORKS OF CWSS TO SUBBARAYAVALASU & 82 RURAL HABITATIONS IN MODAKURICHI UNION OF ERODE DISTRICT AS DEPOSIT WORK - ORDERS ISSUED.

(OPERATION AND MAINTENANCE)

B.P.Ms.No. 65

Dated: 27 .07.2018

Read :

Board's Resolution No.2.31 dated 26.06.2018.

ORDER:

The Superintendent of Police, Erode District has requested water supply of 40000 litres / day from Subbarayavalasu CWSS to the Armed reserved quarters in which 200 quarters available at present and an additional 333 quarters are under proposal stage at 46 Pudur Panchayat in Modakurichi union of Erode District.

Based on the above request, the Chief Engineer, Coimbatore, has submitted the feasibility report along with detailed estimate for providing water supply connection to Armed reserved quarters at 46 Pudur Panchayat in Modakurichi union of Erode District from CWSS to Subbarayavalasu & 82 Rural Habitations in Modakurichi Union of Erode District with the following details,

- The Armed reserved quarters, is located in the ring road connecting Erode-Karur road and Erode- Kangayam -Dharapuram road.
- The Superintendent of Police, Erode, has informed that 200 quarters are in use and adopting a population of 1000, the requirement of water works out to 40,000 litres per day.
- The armed quarters, is located at 1.45 KM from the treatment plant of Subbarayavalasu CWSS.

- In the sanctioned estimate of Subbarayavalasu CWSS there is no provision for commercial demand.
- By increasing the pumping hours by 23 minutes in the CWSS to Subbarayavalasu & 82 habitations in Erode District, 40 KL of water is made available for provision of this connection.
- The cost of separate pumping main and pump set for this water supply connection from the clear water reservoir at treatment plant of Subbarayavalasu CWSS, worked out to Rs.8.60 lakh based on SOR 2017-18.
- Due to provision of this water supply connection, the beneficiaries of this CWSS will not be affected and there will be no reduction in quantity of water supply.
- The Superintendent of Police, Erode, has submitted the consent letter accepting to remit the interconnection works for Rs.8.60 lakhs, monthly water charges at Rs.80/KL to TWAD, remit caution deposit equivalent to 6 months water charges and the advance water charges equivalent to 6 months water charges to TWAD Board.

Based on the request of the Superintendent of Police, Erode, and as recommended by the Chief Engineer, Coimbatore, the proposal for providing water supply connection to supply 40,000 litres of water per day to Armed reserved quarters at 46 Pudur Panchayat in Modakurichi union of Erode District from clear water reservoir at treatment plant of Subbarayavalasu CWSS at a tariff of Rs.80/KL was placed before the Board Meeting for approval subject to the following conditions and to permit the Chief Engineer, Coimbatore to take up the work as Deposit work,

1. It should be ensured that no extra quantity of water over and above the allotted quantity is supplied/ drawn from the CWSS.
2. The beneficiary should utilize the entire allotted quantity of water. If the usage of water is less than the allotted quantity for a continuous period of 6 months then the allotment will be reduced to average of used quantity. Further, the beneficiary cannot claim the entire quantity originally allotted in future. If TWAD Board has failed to supply the allotted quantity due to various reasons, then DCB will be raised for the actual supplied quantity.
3. If the beneficiary draws water more than the allotted quantity, the tariff will be four times the existing water tariff for extra drawl quantity.
4. Digital Water meter with telemetry facility should be fixed. The demand should be raised as per water meter reading. If water meter is not working, it should

be got repaired by the consumer immediately or else the water supply connection will be disconnected immediately.

5. As and when the water charges are revised, the consumer should pay revised water charges.
6. The field officers should get necessary concurrence from the beneficiary to deposit the caution deposit, advance water charges and the cost towards interconnection works. The beneficiary should remit the advance water charges, caution deposit and the cost towards inter connection works within three months of approval as per TWAD Board Rules in force. The interconnection work will be undertaken only after deposit of the full amount to Board.
7. If the beneficiary fails to pay the advance water charges, caution deposit and the cost towards inter connection works within 3 months, a grace period of 30 days will permitted to pay the said amount to TWAD Board, failing which the sanction of allotment order stands cancelled. Further, the beneficiary cannot claim/apply for water supply connection to the TWAD Board.
8. In any case, if the water supply connection could not be implemented for the reasons beyond the control of TWAD Board, TWAD Board will not be responsible for any loss to the beneficiary/consumer.
9. If there is any increase in the infrastructure cost, the same has to be borne by the beneficiary.
10. The field Engineers may be instructed to ensure proper supply of water to the general public while giving this water supply connection to the beneficiary.
11. Necessary MOU should be entered between the beneficiary and the Executive Engineer concerned.

The Board in its 477th Board meeting Resolution No.2.31/ dated 26.06.2018 resolved as follows,

By increasing the pumping hours by 23 minutes in the CWSS to Subbarayavalasu & 82 habitations in Erode District, 40 KL of water is made available for provision of this connection. The Chief Engineer, Coimbatore has also recommended this proposal and the expected revenue would be around Rs 9.54 lakh per year due to provision of this connection.

Hence the Board after careful consideration **Resolved to accord approval** of the proposal of the Chief Engineer, Coimbatore for providing new water supply connection to supply 40,000 litres of water per day to Armed reserved quarters at 46

4
4

Pudur Panchayat in Modakurichi union of Erode District by increasing the hours of pumping for 23 minutes in CWSS to Subbarayavalasu & 82 Rural Habitations in Erode District at a tariff of Rs.80/KL, subject to the stipulated conditions and to permit the Chief Engineer, Coimbatore to take up the work as Deposit work.

Accordingly, the Board accords approval of the proposal of the Chief Engineer, Coimbatore for providing new water supply connection to supply 40,000 litres of water per day to Armed reserved quarters at 46 Pudur Panchayat in Modakurichi union of Erode District by increasing the hours of pumping for 23 minutes in CWSS to Subbarayavalasu & 82 Rural Habitations in Erode District at a tariff of Rs.80/KL, subject to the stipulated conditions and to permit the Chief Engineer, Coimbatore to take up the work as Deposit work.
